

Application Number 10/621,828  
Amendment Dated October 28, 2004  
Reply to Notice of Allowance of October 18, 2004

**REMARKS**

In a telephone conference with the Examiner after receipt of the Examiner's Amendment, it was noted that a far too narrowing restriction regarding placement of the hinge was included in claim 1.

To afford a more appropriate scope of protection, to which applicant is entitled, it is requested to merely remove the hinge positioning limitation.

Respectfully submitted,
